

SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardul.

Meets, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well."

One day, I decided to try some Cardul. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardul will do for sick women."

A few doses of Cardul at the right time, will save many a big doctor bill, by preventing serious sickness. It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardul. Suppose you try it. It may be just the medicine you need.

DON'T SAY YOU'RE OLD

You Only Feel Old

Digestive organs are weak—don't assimilate food as they used to. Other organs act more slowly and less effectively.

Blood is thin and sluggish. Renewal of strength does not equal the wear and tear of your system.

That's what makes you feel old. Nothing in the world will tone up and invigorate those weak, back-sliding organs, make rich blood and create strength so quickly as Vinol.

Vinol is not a secret nostrum, simply the medicinal elements of the cod's livers, with the useless nauseating oil eliminated, and tonic iron added. Try a bottle of Vinol with the understanding that your money will be returned if it does not make you stronger, feel younger and give you an added interest in life.

Great regret was felt here when the news was received of the death of Mrs. Annie F. Adams in Louisville, where she had gone about three weeks ago to accept a position in a millinery store. She was taken suddenly ill by fainting at her place of business and was taken first to the Catholic Woman's Club and later to the Jewish Hospital where her death occurred Friday due to a hemorrhage on the brain.

Mrs. Adams was 45 years of age and the widow of O. L. Adams, who preceded her by about 12 years.

She leaves two sisters Mrs. Joe Arnold and Mrs. James Turner, of Richmond, and 2 brothers: William Terrill, of Richmond and John Terrill, of Kansas. The interment took place Saturday afternoon in the Lancaster cemetery, the service being conducted by her former pastor, Rev. C. C. Brown. Mrs. Adams was for sometime an operator in the Lancaster Telephone exchange and much endeared herself to the citizens by her geniality and unflinching courtesy.

Miss Mollie Smith died at an early hour at her home in this city on last Saturday morning, after a gradual decline of several years due to rheumatism and a subsequent development of heart disease.

She was ever a patient sufferer during her many months of invalidism and ever greeted her many friends and visitors with a welcoming smile and a heart-felt cordiality. For sometime she was a saleswoman in the Batson Mercantile establishment where she formed many acquaintances and became very popular by her ready service and unflinching courtesies throughout this entire county.

She leaves one sister, Mrs. H. A. B. Marksbury, of this city, and 4 nieces, Mesdames A. H. Rice, Louis Landram, H. Clay Sutton, J. M. Staughton; and two nephews, F. B. Marksbury and Victor Leavelle, her devotion to this entire circle being very marked and beautiful.

The interment took place Sunday afternoon in the Lancaster cemetery, a short service being held at the grave by her late pastor, Rev. O. P. Bush, the Baptist minister, of which church she had been a member for many years.

HIGH CLASS WORK

Done By High School Boys in Preparing Orations.

Supt. J. W. Ireland sent several of the orations which the local High School boys are going to deliver at the oratorical contest here March 30th, to Daniel L. Thomas, professor of English Literature of Central University, to examine, and the latter writes concerning them:

"Dear Prof. Ireland:—I have read the orations that you sent me with considerable care and no little interest. It is no mere conventional compliment when I say that these speeches strike me as—in the case of several of them at least—being very much above the average of high school orations of towns much larger than Stanford or Danville."

The above will show the oratorical contest to be given by Stanford High School will be one worthy of the patronage of all who have any interest in the county and city being in the vanguard of educational interests. The program will be interspersed with good music and Miss Jackson will give a number. Attend and encourage the laudable efforts of all school enterprises.

C. A. Glossner, 24 Ontario St., Rochester, N. Y., has recovered from a long and severe attack of kidney trouble, his cure being due to Foley Kidney Pills. After detailing his case, he says: "I am only sorry I did not learn sooner of Foley Pills. In a few days' time my backache completely left me and I felt greatly improved. My kidneys became stronger, dizzy spells left me and I was no longer annoyed at night. I feel 100 per cent better since using Foley Kidney pills." Shugars and Tanner.

SYSTEMIC CATARRH RELIEVED BY PERUNA.

My Husband Also Uses Peruna.

Mrs. Della May Samuels, whose picture accompanies this testimonial and who resides at 338 N. Conde St., Tipton, Ind., writes The Peruna Co., as follows: "Eight bottles of Peruna completely cured me of systemic catarrh of several years standing, and if my husband feels badly or either of us catch cold we at once take Peruna."

Stomach Trouble.

Mrs. Wilson Robinson, 704 Neslee St., Toledo, Ohio, writes: "I feel like a new person. I have no more heavy feelings, no more pain, don't belch up gas, can eat most anything without it hurting me. I want to be working all the time. I have gained twenty-four pounds. "People that see me now and saw me two months ago seem astonished. I tell them Peruna did it. I will say it is the only remedy for spring and all other ailments."

CHILDREN INJURED.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents, and 50 cents. Remember you can only obtain Rexall remedies in Stanford only at our store,—The Rexall store Penny's Drug Store.
